* *Fil 40* is prescribed for sophomore or higher level standing students.

Students are not advised take this course during their first year.

* *STS/DRMAPS* is prescribed to be taken during senior year.

* *The GE Elective* can be another Science GE course.

Legislated Course

PI 100 is a mandated course and should be taken by at least junior standing students. It is a 3-unit course on the life and works of Jose Rizal.

Free Electives

A Free Elective is any course that is not equivalent to a required Statistics course in the program; preferably in line with the student's field of interest. Examples are Psych 101, Econ 100.1, Acctg 1, among many others. This can also be another Math/Stat elective, in addition to the required 12 units of it.

PE & NSTP Courses

“Serving Our People, Building Our Nation” is the goal of National Service Training Program (NSTP) in UP Diliman. The NSTP aims to enhance the student’s capability to serve the nation by developing the sense of citizenship and volunteerism. At the same time, the NSTP allows for career exploration and development by linking career to service to the nation.

The students can choose between the 2 program components:

Reserved Officer’s Training Corps (ROTC) – **Military Science 1 and 2**

Civic Welfare Training Service – **CWTS 1 and 2**

A student is required to take 8 units and 6 units of PE and NSTP courses, respectively.
